

Release Date: October 22, 2019

Federal Cartridge Recalls Blackhawk Gun Holsters Due to Injury Hazard

Recall Summary

Name of Product: Blackhawk T-Series L2C gun holsters

Hazard: The holster design can change the position of the safety switch on the firearm without the user knowing it. When this occurs, if the trigger is pulled the gun could fire unexpectedly, posing an injury hazard to the user and bystander.

Remedy: Refund

Consumers should immediately stop using the recalled holsters and contact Blackhawk for a full refund.

Consumer Contact: Blackhawk toll-free 888-343-7547 from 8 a.m. to 5 p.m. ET Monday through Friday or online at <https://www.blackhawk.com> and click on the recall tab located at the top of the page for more information.

This recall was conducted voluntarily by the company under CPSC’s Fast Track Recall process. Fast Track recalls are initiated by firms who commit to work with CPSC to quickly announce the recall and remedy to protect consumers.

About U.S. CPSC:

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of injury or death associated with the use of thousands of types of consumer products under the agency’s jurisdiction. Deaths, injuries, and property damage from consumer product incidents cost the nation more than \$1 trillion annually. CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical or mechanical hazard. CPSC’s work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters and household chemicals – contributed to a decline in the rate of deaths and injuries associated with consumer products over the past 40 years.

Federal law bars any person from selling products subject to a publicly-announced voluntary recall by a manufacturer or a mandatory recall ordered by the Commission.
