A Message from the Safety Director

The New Jersey Department of Health issued new standards for [Youth Summer Camps on June 9, 2021](#). The updated requirements include:

- Standards for employee training
- Hygiene practices
- Screening for COVID-19
- Face coverings
- Social distancing
- Infection control/monitoring
- Maintaining a plan for if someone becomes sick

Additional information can be found on the [NJ Department of Health Youth Camps](#) webpage.

The Safety Director strongly recommends those in charge of youth summer camps review the new standards and guidance document issued by the NJ Department of Health.
