RE: **2023 -2024 Elected Officials Training Invitation**

\*\*\*\*\*

For more than 20 years, the ACM, BURLCO, & TRICO JIFs have offered our elected officials the opportunity to participate in annual voluntary training. The 2023-2024 Elected Officials Training will take place online via the MEL Safety Institute (MSI). This 45-minute training video provides important information on the challenges facing local elected leaders in managing local government risks and tools available to assist our members. Instructions on how to access this training are attached.

The online training format allows for participation by all our elected officials, and the convenience of completing this training when their schedule permits, prior to the May 1, 2024 deadline. By utilizing the MEL Safety Institute, my office will be able to better track the completion of the training and document the credits due to members' assessments.

Within a week or so of completing the online training, those that complete the course will receive an email from my office highlighting the various risk management programs discussed during the training and how they can be accessed by our members.

Please remember that for every elected official that completes the training, their municipality will earn a \$250 credit towards your municipality's 2024 MEL Assessment (capped at 5% of your 2024 MEL Assessment). Also, your highest ranking administrative official is eligible to earn this credit by completing the course.

On a final note, if you attended the Elected Officials Training at the League of Municipalities in November 2023, you will receive credit for the training.

Thank you for your attention to this matter. As always, please feel free to contact me should you have any questions.
